Supervisor's Certificate

I have pleasure in forwarding the thesis of Sri Jitesh Chandra Das, Assistant Professor of Chemistry, Jalpaiguri Government Engineering College, Jalpaiguri (West Bengal), entitled "Correlations of Certain Physico-Chemical Properties of some Ternary Liquid Mixtures with Selected Parameters of Corresponding Pure Components", submitted for the degree of Doctor of Philosophy (Science) of the University of North Bengal.

Sri Das has worked under my supervision and guidance since April 1984. To the best of my knowledge, no part of this research work has formed the basis of any other Ph.D thesis.

(C. P. Sinha)
Supervisor.
