

## ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Professor S. P. Pal, Department of Mathematics, University of North Bengal, for his valuable guidance and continuous help through the preparation of this thesis.

I am grateful to Professor S. Karanjai, Head of the Department of Mathematics, North Bengal University for his inspiration and also providing necessary research facilities in the Department.

I am greatly indebted to Professor M.L. Ghosh and Dr. K. P. Das, for their suggestion and encouragement during research work. I am also thankful to Dr. R. Prasad and Dr. J. Jaju for their valuable suggestions in my research work.

I would also like to take this opportunity to express my thanks to my wife Mrs. S. Ghosh, for her inspiration to my research work. Thanks are also due to my friends, in general, and in particular to Dr. S. Mukherjee, Md. Z. Islam, Dr. P. Roy, Dr. D. Nath, Mr. C. Sengupta, Mr. S. P. Das and Mr. S. C. Pal for their kind cooperation and help during my research work.

Though it is beyond the scope of my acknowledgement for all that I have received from my parents, parents-in-law and other family members by way of inspiration and patience, yet I make an effort to express my heartfelt gratitude to them.

Thanks are also conveyed to Mr. M. K. Modak for his careful typing of the final manuscript.

Last, but not least, I would like to thank my daughter 'Nova' for being accommodating during my long hours of absence from home for my research work.

Dated: 7th Oct. 1988.

Sanjay Kumar Ghosh.
