

## **ACKNOWLEDGEMENT**

It is a pleasure to take this opportunity of conveying my gratitude towards a lot of people for making my Ph.D. work successful. First of all I would like to express my heartiest thanks to my supervisor Prof. Pranab Ghosh, Head, Department of Chemistry, University of North Bengal, for his invaluable guidance, support and constant encouragements. His huge experience and enormous knowledge in research work have made my journey fruitful.

I would like to express my deepest thanks to all the faculty members of this Department of Chemistry, NBU for their constant support throughout my research work.

I heartily thank my supportive lab mates starting from Mainul Hoque, Gobinda Karmakar to Bijeta Mitra, Rabindranath Singha, Puja Basak, Sourav Dey and Kumaresh Dutta from whom I have always received complete cooperation.

I would also like to express my thanks to other research scholars of this department and all the staff members of the Department of Chemistry, NBU, Darjeeling.

Financial supports from UGC are gratefully acknowledged.

Finally, I would like to express my thanks to the University of North Bengal for providing infrastructural facilities.

Last but not the least, I specially thank my family for their selfless love and support.
