

ACKNOWLEDGEMENT

This work would not be possible without the generous help I received from different quarters. I must thank the University Grants Commission for sponsoring my research under the Faculty Improvement Programme. The National Library, Calcutta, the British Council Library, Calcutta, the Calcutta University Library, the North Bengal University Library, Jalpaiguri District Library, P.D Women's College Library, Jalpaiguri and A.C.College Library, Jalpaiguri, not to mention my own college library, have extended generous support. Photocopies of many relevant documents have been made available by the Calcutta office of the INSODC and by Professor Ranjit Bose of the Anderson School of Management, University of New Mexico.

My supervisor, Dr Pran Kumar Mukherjee, Professor (Retd.) of English, North Bengal University, often had to draw on his considerable reserve of patience to cope with my inertia. He has always encouraged me generously even while disagreeing with me, which has not been seldom. I cannot adequately express my gratitude to Narayan Choudhury, my late colleague, for the great pains that he took, inspite of failing health, to correct the proofs of the entire work. I am also grateful to Dr Nisith Ranjan Chakraborty and Mr Sanatan Bhowal for helping me in more ways than one. Finally I should be failing in my duty if I do not acknowledge the tireless work of my former students Mr Ratul Roy and Mr Jayanta Dutta, who helped me with the typing of the manuscript.
