

ACKNOWLEDGEMENT

The candidate takes this opportunity to offer his sincere thanks to Dr. S. K. Majumdar, Lecturer in Chemistry for his guidance and continued interest in the progress of the work and for providing laboratory facilities.

The candidate also expresses his deep sense of gratitude to Dr. S. K. Chakravarti, Dr. A. K. Ghosh & Dr. S. C. Roy, Readers in Chemistry for their valuable suggestions and help during the progress of the work.

The candidate is also thankful to other teachers of the Department for co-operation and to his fellow-scholars for encouragement and particularly to Shri S. L. Dutta, M.Sc., Scientific Officer, for generous help and active co-operation in various phases of the work.

Thanks are also due to the University Grants Commission, India for the award of a junior research fellowship and to the authorities of the University of North Bengal for financial assistance.

In the conclusion, the candidate expresses his gratitude to Prof. H. N. Khastgir, Head of the Department of Chemistry for extending facilities for the completion of the work.
